Dear Parents and Carers

The 2017 Handbook contains information that will give you a summary of key policies and information related to your child’s schooling.

I hope you will refer to it as an easy reference concerning the day-to-day operation of the school.

If there are questions you require more information about, please contact the classroom teachers in the first instance. They are always keen to meet with you, and they will listen and work with you to answer your questions or ease your concerns.

The success the school enjoys is, in large part, due to the interest and involvement of you, the parents, in the many varied activities and experiences organised for the children. Your presence is always a valuable addition. Please continue this by your frequent contact, engagement in school life and by communicating your concerns and praise whenever appropriate.

The staff and I look forward to working and walking with you as you commence your child/children’s Catholic educational journey with us here at St Matthew’s School.

Yours sincerely

Ms Jonnda Simpson
Principal

May 2017
2.0 ST MATTHEW’S SCHOOL PROFILE

2.1 Tradition

St Matthew’s School has been proudly serving the community of Narrogin for ninety nine years.

Founded in 1918 by the Sisters of Our Lady of the Missions, the school was staffed solely by these Sisters, who lived in what is now the C.Y. O’Connor TAFE building. During the period of its existence the school has served the changing needs of the Narrogin and wider district.

At one time the school accepted students through to Year 10 and also catered for pupils within a boarding school known as St Philomena’s Convent. During World War Two students from the Sacred Heart schools in Perth, run by the Sisters of Our Lady of the Missions, were evacuated to St Matthew’s School in Narrogin because there was fear of a Japanese attack from the sea. For this period St Matthew’s School was also commonly known as Sacred Heart School.

After the war, the school accepted large numbers of Polish migrants who helped shape its character even further. Currently, our students come primarily from the local town and its surrounding farming communities.

Today, St Matthew’s is staffed by dedicated lay teachers who endeavour to mirror the commitment of those pioneering sisters, and the Sisters of the Servite Order who joined us in 1998. The Servite Sisters support our teaching role and assist Father Matthew in pastoral outreach work in the Parish.

2.2 School Ethos

St Matthew’s is a Catholic school and as such aims to develop the whole child: SPIRITUALLY, INTELLECTUALLY, EMOTIONALLY and PHYSICALLY.

Our school aims to provide a Catholic environment of learning, growth and worship, while recognising parents as the first and primary educators of children, both in the Catholic faith as well as other areas of their learning and development.

We are here to serve you in the education of your children, in a Catholic context.

St Matthew’s School motto “CONCERN” embraces the school ethos.

3.0 FAITH DEVELOPMENT

There are nine learning areas in the curriculum for Catholic schools in WA. The first learning area is Religious Education. Our catholic school’s Religious Education programme is a systematic and sequenced programme of helping children to integrate our Catholic Faith with their daily lives. The RE programme to be taught is that promulgated by the diocesan Bishop. Students are involved in prayer assemblies, liturgies of the Word and liturgies. Parents can support your child’s faith development by attending Sunday Eucharist regularly.
3.1 Parish
Presbytery
Father Mathew Moolamthuruthil
Earl Street NARROGIN 6312
TELEPHONE NO: (08) 98811153

3.2 Sacramental Program
The following sacraments are conferred on the baptised Catholic students from the school and parish –

Year 3 Reconciliation (First)
Year 4 Eucharist (First)
Year 6 Confirmation

4.2 The Principal and Staff

The Principal, together and in partnership with the staff, is responsible for the daily operation of the school and for establishing and implementing the educational policies of St Matthew’s School.

Specific problems relating to individual children’s learning difficulties should be addressed to the teacher concerned prior to making an appointment with the Principal.

The Parish Priest is the Bishop’s representative and, as such, he supports the school and maintains very close contact and communication.

4.3 St Matthew’s School Board

The St Matthew’s School Board meets monthly, and is responsible for the financial management of the school. The Board liaises closely with the Principal on decision making matters in order to meet the present and future needs of students, while actively promoting and supporting the Catholic ethos of the school. The School Board is subject to the School Board Constitution as set down by the Catholic Education Commission of W.A.

Our “Annual Community Meeting” is held in November. At this meeting a report on the School Board’s activities and the next year’s budget are presented and the election of Board members takes place. All parents and interested community members are invited to attend this meeting, and you are encouraged to consider serving on the Board as a way of supporting the school.

2017 School Board Members

| Mr Pierre Maartens       |
| Mr Paul Keppell          |
| Mrs Simone Lansdell      |
| Mr Andrew Grieve         |
| Mrs Jodie George         |
| Mrs Michelle Batt (P&F Rep) |
| Ms Jonnda Simpson (Principal) |
| Father Mathew (Parish Priest) |

A copy of the School Board Constitution is available on request from the School Office.

4.4 Parents and Friends’ Association

Every parent of St Matthew’s School is a member of the Parents and Friends’ Association. The P&F makes an important contribution to the development of St Matthew’s community spirit, as well as providing essential morale and financial support to our school.

The P&F is our fundraising body and in addition to fund raising, they organise social events for students and parents. Meetings are currently held twice a term, with the upcoming meeting time and date being advertised in the weekly newsletter.
The objectives of the P & F Association are:

- To develop community within the school
- To promote closer liaison between the school and community
- To foster community interest in education
- To assist in the provision of school amenities
- To work closely with the school Principal to achieve common goals

Our P&F activities are organised by a core group of volunteers nominated at the Annual Community Meeting in November each year. You do not need to be one of the elected members to attend any meetings or assist with any activities held throughout the school year.

MANY HANDS MAKE LIGHT WORK!!

4.5 Uniforms

St Matthew’s School has a long history in Narrogin, and we, as the current custodians of this school, wish to continue the proud traditions already entrenched. The school uniform is a symbol, to us and to the public, of all that we represent, and, as such, we believe that a high standard of presentation is important.

Aims

- To encourage a sense of pride in ‘self’
- To instil recognition of being an integral part of the school community and therefore develop pride and loyalty to our school and its vision
- To provide consistency and equality for all students in the light of shared Gospel Values
- To provide clothing that is cost effective and practical for our school environment
- To focus on the real purpose of schooling; that is, the development of an individuality of intellect, imagination and personality
- To maintain and enhance the positive image of the school in the community

4.6 Uniform Shop

Mrs Jenny Ong, co-ordinates the sale of our new uniforms and the P&F co-ordinates our second-hand uniforms. Mrs Ong can be contacted at the Uniform Shop every Friday, 8:30am – 11.00am. Uniforms will not be available from the school office outside Uniform Shop hours. Please refer to the Uniform Policy for more details. This can be found on www.matthews.wa.edu.au
4.7 Canteen
Unfortunately at the moment St Matthew’s School does not have a canteen. Students can place lunch orders on Monday mornings only. An external provider prepares our orders.

4.8 Library
We have a well-equipped Library that also houses the school’s Computer Lab. Class teachers assist the students to develop their Library skills and Mrs Jenny Ong assists with book borrowing. Library time and borrowing facilities are given to all students. On their Library day, students need to bring a library bag – without this they will not be permitted to borrow books. The books are issued for one week, so the children need to return them at their next library session. It is important that you encourage your children to take care of the books as they are expensive to replace.

4.9 Student Leadership
All Year 6 students take on the important role of leadership within the school community with the support and encouragement of their classroom teachers, parents and school staff. It is important to ensure that our students understand that they have a shared responsibility to lead others, that every student has the right to develop their own leadership qualities, and that they are aware that leadership is based on service to others.

4.10 3 and 4 Year Old Kindergarten
Three Year Old Kindy at St Matthew’s is a self-funded program. It is led by Miss Mikayla Bramley, a teacher with Early Childhood qualifications. The program runs 9am – 11.30am every Friday of the school Term. Enrolment in our 3 Year Old program does not guarantee enrolment in our 4 Year Old Kindergarten.

Our Kindergarten is the first year of our school, and, as such, the child, once enrolled at St Matthew’s, will be able to complete his/her primary education within our school. In 2017, Kindergarten will be three full days per week.

4.11 Classes
Due to our current enrolment trends and due to sound educational theory, St Matthew’s will, from time to time, structure its class groupings in both straight age and multi-age (composite) groupings.

The responsibility for determining the class groupings will remain the responsibility of the school Leadership Team, upon consultation with both the teaching staff and School Board.

5.0 SCHOOL OPERATION

5.1 Enrolment Policy
In order to maintain an appropriate number of students throughout the school, the St Matthew’s School Board, in accordance with the Catholic Education Commission of WA Guidelines, has agreed to establish the following enrolment policy:

Applications for enrolments from Kindergarten to Year 6 will be accepted in the following order:
1. Catholic students from St Matthew’s Parish.
2. Catholic students from other Parishes.
3. Siblings of non-Catholic students already enrolled.
4. Non-Catholic students from other Christian denominations.
5. Other Non-Catholic students.

Each year the school will advertise in the school newsletter, parish bulletin and, if necessary, the local paper, for enrolments. However, this process will occur only if the waiting list does not exceed twenty five, based on points 1 and 2 of the above.

Names may be submitted to the school secretary at any time for enrolment, and will be entered onto the waiting list if no place is currently available.

Enrolment for grades other than Kindergarten will be on application by the parent to the Principal who will determine eligibility for entry to our school, provided that a position is available for a new student in the appropriate grade, in accordance with the priorities stated above.

Parents who choose to apply to enrol a child at St Matthew’s school accept:

1. That they will abide by the policies and practices established and developed by the School Board and school Leadership Team while their child/children are enrolled in St Matthew’s School. If you are unsure of any policies or practices, please consult the Principal.

2. That they are fully supportive of the Parents and Friends’ Association. (A more detailed policy can be found on www.matthews.wa.edu.au)

5.2 Enrolment/Admission Information

It is vital that this information is regularly updated, as there have been a number of occasions where it has been found to have changed.

This form required:
(a) information for daytime contact should accidents occur. (In these cases, we attempt to first contact parents then the EMERGENCY CONTACT number.)
(b) permission to act on the parent’s behalf if contact cannot be made.

5.3 School Fees

The provision of Catholic Education to all is made with an awareness of the constraints imposed by financial considerations affecting the function of Catholic schools. Our School Board has the responsibility for the financial management of the school, and, consequently, is responsible for the collection of school fees, which are set towards the end of each school year. As parents, you are therefore asked to make a commitment to support the school by paying fees on time.

An Annual School Fees account is issued at the beginning of the school year. Fees may be paid by three instalments (March, June and September). All fees are to be paid in full by the end of Term 3.
Fees may be paid by cash (correct money please), cheque, credit card or B-pay. Direct Debit (eg weekly/fortnightly) payments may also be arranged via the school office. CEWA policy states: “the inability (financial incapacity) to pay school fees shall never be the reason for the exclusion of any child from a Catholic school”.
Cases of genuine hardship should be addressed at the earliest possible opportunity to the Principal, who will endeavour to arrive at a suitable arrangement. All information pertaining to the payment of school fees will be treated as confidential.

All money sent to school should be placed in a sealed envelope with the child’s name, amount and purpose of payment noted, eg: fees, excursion, swimming, etc. This should be given to the class teacher to place in the class office bag at the beginning of the day.

5.4 Health Care / Pension Card Discounts
From 2005, parents/guardians who are responsible for the payment of school fees and hold a current means tested family Health Care Card or Pensioner Concession Card with the code “PPS”, will be entitled to a discount on tuition fees. To access the Health Care Card Tuition Fee Discount Scheme, parents/guardians will need to show a valid Health Care Card or Pensioner Concession Card (code PPS) and complete a simple form. More information on the Health Care Card Tuition Fee Discount Scheme is available on the Catholic Education Office website [www.ceo.wa.edu.au](http://www.ceo.wa.edu.au) under “Health Care Card”.

5.5 Behaviour Management Policy
The Behaviour Management and Bullying Policy at St Matthew’s is based on the premise that all members of our community have the right to be treated with respect and courtesy. This emerges from our school motto ‘Concern’: concern for self, others, environment and for our relationship with God. Gospel values such as honesty, justice, integrity, compassion and love must be apparent in all situations where behaviour issues are concerned.

Classroom expectations:
1. Let others learn
2. The teacher has the right to teach
3. Respect your own and others’ property
4. Walk inside
5. Keep hands, feet and objects to yourself

Playground Expectations
1. Respect for self and others
2. Include all students
3. Respect the school environment
4. Share and use equipment appropriately
5. Keep hands, feet and objects to yourself

The school has developed a behaviour management plan in order to ensure the establishment and maintenance of positive relationships between staff and students, and to foster a learning environment that facilitates the development of the whole child. Behaviour Management is discussed at all Staff Meetings.

5.6 Pastoral Statement On Bullying
Bullying is when one person behaves in a way that deliberately hurts others and makes them feel powerless. This may occur on a number of occasions. At St Matthew’s, this type of behaviour is unacceptable. No one deserves to be bullied, even if his or her behaviour is irritating or annoying.
Examples of Bullying:
• Name calling, teasing, threatening another person, hitting, punching, sending hurtful notes, deliberately ignoring others, deliberately damaging another person’s property.

Steps children can take:
• Respond to bullies in an assertive, positive way
• Walk away
• Speak up and offer support to the victim when you see him/her being bullied - for example, picking up the victim's books and handing them to him/her
• Seek immediate help from an adult/teacher - if they do not listen, TELL someone else
• Support those being hurt, with words of kindness or sympathy
• Express disapproval of bullying behaviour by not joining in the laughter, teasing, or spreading of rumours or gossip
• Attempt to defuse problem situations either single-handedly or in a group – for example, by taking the bully aside and asking him/her to cool it
• REMEMBER – if you do not report incidents of bullying then you are assisting the bully and contributing to the problem

Positive reinforcements will be given in the following ways:
• Honour Certificates
• Class rewards
• Individual rewards
• Golden Slips – playground reward
• Marbles – class reward for appropriate behaviour

5.7 West Australian Curriculum
The West Australian Curriculum sets out the core knowledge, understanding, skills and general capabilities important for all West Australian students. It describes the learning entitlement of students as a foundation for their future learning, growth and active participation in the Australian community. It makes clear what all young West Australians should learn as they progress through schooling. It is the foundation for high quality teaching to meet the needs of all students.

In 2017, teachers will plan, implement, assess and report against the West Australian Curriculum.

There are 9 Learning Areas in the curriculum of Catholic schools in WA. The first Learning Area is Religious Education. St Matthew’s offers a broad-based curriculum with emphasis given to the care and development of the child as an individual. We recognise the vital place of faith in the lives of the students, and are concerned with the awakening, nourishing and developing of this faith within a sound education. The nine learning areas are:

Religious Education
Our Religious Education program is based upon the Guidelines as set down by the Catholic Education Office (CEO). At St Matthew’s we are committed to fostering a total Faith and Life development, showing tolerance and respect, where children will grow to their full potential and recognise their self-worth.

This program:
• Is developmental
• Is based on sharing faith through life experience
• Is Christ-centred
• Focuses on the unconditional love of God
• Makes religious education part of the daily lives of the children
• Emphasises the importance of a vital, caring and loving atmosphere where children can become the people God wants them to be
• Stresses the place of the Eucharist and the whole sacramental life of the Church

School Mass is celebrated regularly throughout the year. Children are encouraged to actively participate by singing, preparing church decorations, reading, carrying the offertory gifts or serving. All family members and the community are encouraged to attend. Please watch the newsletter for details.

The Sacrament of (First) Reconciliation (Confession) is offered in Year 3, First Holy Communion in Year 4 and Confirmation (receiving the Holy Spirit) in Year 6. These are wonderful and memorable occasions for your child, and you are encouraged to participate in all aspects of these celebrations.

The Sacrament of Reconciliation is available to Year 4 – 6 throughout the year.

**English**

The English program within the school focuses on Reading, Writing, Viewing, Listening and Speaking. It is based on both the focus teaching of skills and an integrated approach where skills are used in real situations. The program is based on the beliefs that:

• English instruction is meaningful, enjoyable and affirming
• Children make steady progress when strategies and activities appropriate to their level of development and their cultural and experiential background are used
• Every child has equal opportunities to be challenged and to reach their potential
• Explicit teaching is necessary for the acquisition of good oral and written language skills

A broad range of assessment and monitoring strategies is used to track students’ literacy attainment. An individual literacy program will be written to focus on areas of need for those children identified with difficulties. St Matthew’s has literacy support teachers who work within the classrooms or the Support classroom to assist teachers in developing sound literacy practices within the school. In 2017 we will continue to provide MiniLit, MultiLit and Rainbow Reading to support students experiencing difficulties in Literacy.

Students in Years Three and Five will take part in the National Assessment Program for Literacy and Numeracy (NAPLAN). This is designed to measure overall literacy and numeracy skills. The On Line Early Assessment testing in Pre-Primary and the Observation Survey in Year One and Two are also conducted.

**MiniLit, MultiLit & Rainbow Reading**

MiniLit is a balanced reading program that, across carefully structured and sequenced lessons, covers sight words, letter–sound correspondence, blending and segmenting (phonics skills) and reading connected text. Level 1 teaches children basic letter/sound knowledge and decoding skills for CVC words, with Level 2 extending their word attack knowledge by teaching commonly used digraphs and longer words.

The MultiLit Reading Tutor Program (RTP) supports students who have not acquired the basic skills needed to become functional readers. Children who have not learnt to read in the first few
years of schooling, are provided with intensive, systematic reading instruction, to ensure they do not fall further behind.

The Rainbow Reading Program has been shown to effectively support struggling readers and English language learners to significantly improve their reading fluency and accuracy, word recognition, writing fluency, spelling and oral language.

The intensive, systematic and progressive nature of all programs, along with the variety of short, sharp and targeted activities that reinforce every teaching concept, engages the children, keeps them on-task and reinforces learning.

**Mathematics**
The Mathematics programme is based on the premise that all students will become numerate. Being numerate is about having the disposition and confidence to use mathematics in a variety of ways, such as solving practical problems outside the classroom. It is about becoming a more informed citizen, thinking, reasoning, patterning, verifying, applying and collecting and analysing data.

The Mathematics Learning Area contains seven major learning outcomes: Appreciating Mathematics, Working Mathematically, Number, Measurement, Chance and Data, Space and Algebra. These major learning areas are further broken down into sub-strands.

**Physical Education and Health**
Children from Kindy to Year 6 receive weekly lessons from our specialist Physical Education teacher that focus primarily on the development of sports skills.

The Phys Ed programme also includes school sports carnivals, interschool sports carnivals and other interschool team events. A number of teams, during both summer and winter, represent St Matthew’s in various interschool programmes. These are coordinated by our Sport Coordinator, Mrs Linda Kilpatrick. These include events during our summer and winter sport programmes. There are annual swimming and athletics carnivals as well as interactive afternoons with neighbouring schools.

The focus of the sports programme is on participation and skill development, rather than competition.

All students must wear the school sports uniform on the day indicated in the school newsletter, unless a note accompanies your child giving reasons for this not being the case. Children must wear the correct school uniform when representing the school, i.e. red knit shirt for all interschool carnivals and sporting events, and the green, blue or gold knit shirt is encouraged for all faction carnivals and sporting events.

For weekly sports days, the red or faction knit shirt may be worn.

**The Arts**
Mrs Fiona Hastie provides opportunities for students to explore a wide variety of content in The Arts learning area. Students take part in singing, dancing, djembe drumming, and ukulele. Children in Years 4-6 have the opportunity to audition for the school rock band. Auditions for the High School Music Program take place in Year 5. Every two years we perform the School Production at the Narrogin Town Hall. This is scheduled again in 2018.
Technology and Enterprise
School Information and Technology programmes are organised by all classroom teachers, and are based on the Western Australian Curriculum Framework Outcomes. Students in PP-6 also have an allocated time in the Computer Lab with their teacher each week. In addition to the lab, all classrooms have computers, ipads and an interactive white board installed, which students are able to access during class time. Students can also access computers in the Library, and are able to utilise the school’s bank of laptops.

Science
Science plays a major role in all aspects of our lives. In 2017, Mrs Monique D’Alton will lead students on investigations to answer questions about our natural and technological world. Knowledge of science enables them to make better decisions across a range of contexts in daily life and take responsibility for the natural resources of our unique planet.

HASS
Students develop understandings of how and why individuals and groups live together, interact with and within their environment, manage resources and create institutions and systems. Students further understand that over time these relationships and interactions may change to varying degrees.

LOTE
Language learning and cultural understandings are a key focus, and, where possible, they are integrated across the curriculum. This year our LOTE is Indonesian from Year 4 – 6 with Mr Barrie Stewart. LOTE from PP – Year 1 will focus on fostering an understanding of culture with their students while developing their knowledge of contemporary and traditional life in a variety of countries across the world. The junior students will be involved with learning simple terminology and phrases from these countries, as well as simple Indonesian phrases. The junior LOTE program is led by Mrs D’Alton.

5.8 Developmental Learning
People are different. They look different, sound different and behave differently. In spite of this, there is a common pattern of growth and development that can be traced through life. Parents know and expect that their babies will achieve a range of developmental milestones such as crawling and walking. Each milestone is a positive sign of growth and development. Some children do everything according to “the book”. Some take longer than others and some miss a milestone here or there; for instance, some children never crawl. Overall, however, the pattern of development follows a fairly predictable course.

5.9 The Philosophy and Basic Principles of Learning
The philosophy and basic principles of learning within St Matthew’s School are reflected in the following:
- Each child must accept responsibility for his/her decisions.
- All children can be successful learners.
- Children are active learners who learn through solving problems as they strive to reach goals that they have identified as being important to them.
- Teachers can assist them to make progress towards these goals by helping them use appropriate strategies.
- Children make steady progress when strategies and activities appropriate to their level of development and their cultural and experiential backgrounds are used.
Children learn effectively as they interact with adults, peers and their environment.

5.10 Raising Student Performance
St Matthew’s School, continues to adhere strongly to a set of beliefs and values about raising student performance across the school.

All students can reach their full potential given sufficient time and support.
Our focus begins where the students are and then we equip teachers with a repertoire of teaching strategies that enable them to be sensitive to student needs, and plan for instruction. At the heart of this initiative are structured learning times, which allow teachers to put these teaching strategies in place.

The students and their needs should drive curriculum, and therefore curriculum innovation begins in the classroom. Curriculum implementation holds true to this belief by starting where the students are and then looking at classroom organization that supports the student. Teachers can be guided to an understanding of current educational theories and trends through a direct link to their day-to-day classroom teaching. Our structures and strategies are linked directly to current research and theory.

Data must drive instruction. System and school initiatives must be driven by data. Program choice must be linked directly to its effect on a particular population, with data to back its adoption. Our teachers draw heavily on current national and international research projects aimed at both school improvement and student achievement.

The curriculum should be student centred. The West Australian Curriculum is a student-centred curriculum. Our teaching and learning cycle focuses heavily on student needs, and our professional development is geared towards assisting teachers make day-to-day decisions based on student needs. Student observation and variety of instructional groupings feature highly in our professional development.

Collaborative environments are essential for learning. Our professional learning culture can be identified by effective professional communities working and planning together, proactively delivering instructional programs for students across the school. Teachers take responsibility for all students across and within year levels, and, as a school, we will activate structures based upon what is best for the total school population.

5.11 Assessment and Reporting
Staff at St Matthew’s are committed to providing quality information to students and parents and also using assessments as a means to inform their teaching learning programmes. Parents are always welcome in the classrooms to discuss progress and view students work and work books. In 2017, the reporting schedule includes:

<table>
<thead>
<tr>
<th>Kindy and Pre-Primary</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Term 1</strong></td>
</tr>
<tr>
<td>Pre-Primary Parent Interviews</td>
</tr>
<tr>
<td>Work Sample Files</td>
</tr>
</tbody>
</table>

Kindergarten and Pre-Primary teachers are available to meet with parents informally and formally throughout the year as required.
**5.12 Homework Policy**

Homework is an integral part of a child’s education. It promotes a relationship that helps maintain communication between school and home on the child’s academic growth, and reinforces basic skills and concepts that have been taught in class. It also helps establish good study habits in the child. Homework varies from year to year, and class teachers will inform parents of what is required.

**Practices**

At St Matthew’s School, homework will be set on Mondays with the expectation that it will be completed by Friday, unless otherwise stated. This allows for children to structure their time to allow for other afternoon/evening commitments (e.g. sport, clubs, and family commitments). The reading and working time periods need not be completed sequentially but may be completed at totally separate times. For example, the student might complete his/her working time before dinner and his/her reading time just before bed.

**Kindergarten – Pre-Primary**

Children in Kindergarten and Pre-Primary should spend time talking about their school day, enjoying reading and being read to.

**Year 1 – Year 2**

Children in Year 1 and Year 2 should spend time talking about their school day, enjoying reading and being read to, completing simple literacy tasks and revising basic number facts and spelling. This should be for 10 – 20 minutes daily (maximum 20 minutes) - approximately 10 minutes reading and 10 minutes working. The time period needed to complete the set tasks will gradually increase from the minimum (10 minutes) to the maximum (20 minutes).

**Year 3 – Year 4**

Children in Year 3 should spend time talking about their school day, enjoying reading and being read to, completing simple literacy tasks and revising basic number facts and spelling. This should be for up to 30 minutes daily (maximum 30 minutes) - approximately 15 minutes reading and 15 minutes working. Children in Year 4 may be given a small amount of written work to consolidate concepts taught in class. The practice of basic literacy and numeracy skills will continue. This should be for a maximum of 40 minutes daily - 20 minutes reading (silent or oral) and 20 minutes working.

**Year 5 – Year 6**

Children in Years 5 and 6 may be given a small amount of written work to consolidate concepts taught in class. The practice of basic literacy and numeracy skills will continue. The recommended time for nightly homework is a maximum of 30 minutes reading (silent or oral) and a maximum of 30 minutes working. The time period needed to complete the set tasks will gradually increase from the beginning of Year 5 to the completion of Year 6.
NOTE: Teachers’ discretion will be used as to time allocated for homework. The individual needs of students are paramount in the setting of homework. All tasks should be set at the ability level of the child. Parents may set their own extension homework, the teacher can discuss the format of this with parents if required. Parents are invited to contact the teacher of their child if they have any queries.

Research Tasks / Presentations
During Years 3 and 4, children will be introduced to the requirements of research tasks/presentations. Please see the St Matthew’s School Homework Policy for more information concerning Research Tasks/Presentations.

6.0 EXTRA CURRICULAR ACTIVITIES

6.1 Camps
Camps provide unique and valuable educational opportunities for the children. During 2017, students in Year 4, 5 and 6 will be participating in overnight camp experiences.

6.2 Cultural Events and Excursions
Parents are advised that up to 2 cultural events/visits are organised each year. The cost for these will be met by the school.

6.3 Excursion Permission Forms
An excursion permission form will be forwarded to each family at the commencement of the school year. This consent form enables your child/children to attend excursions/outings organised by the school. It is very important that this form is completed and returned by the due date to the class teacher.

The form signifies your approval and permission for your child/children to attend the functions appropriate to your child/children’s education as determined by the school. You will be kept informed of these functions/outings through the weekly newsletter or letters from the class teacher. This form also seeks permission for the students to walk to local Narrogin recreational centres, e.g.: Town Oval, Town Hall etc.

7.0 SAFETY AND HEALTH

7.1 Medical Conditions
The school staff needs to know about any medical conditions a child has that may require emergency medication or treatment. Examples of these conditions could include Diabetes, Asthma and Allergies (bee stings, nut and other food intolerances). Please complete the relevant Medication form, which is available from the office. Your child’s name and photograph will then be added to the Medic Alert Board located in the First Aid Room. This will mean all staff will be aware of the appropriate action or treatment. This information is crucial for staff to carry out fast and proficient first aid when necessary.
7.2 Medication
In keeping with CEWA and Education Department Policy, we do **NOT** give **ANY** medication to students without the written permission of Parents/Guardians.

7.3 First Aid, Accident and Student Illness
If children are not well, they should not be sent to school. In the case of a serious accident or illness at school, you will be contacted to collect your child.

Teachers will attend to minor, superficial injuries at school. In the event of the teacher considering it necessary, the child will be transported by car to Narrogin Regional Hospital for treatment. In cases of suspected serious injury, an ambulance will be called, with parents being liable for the costs incurred.

**IT IS IMPERATIVE THAT WE HAVE AN ACCURATE RECORD OF YOUR HOME ADDRESS, PHONE NUMBERS, DOCTOR AND EMERGENCY CONTACTS.**

If any of these change during the school year, you are requested to notify the office through one of the following means:

(A) phone call.
(B) personal visit to the office.
(C) in writing per your child.

7.4 Lice
Lice are a common problem faced in schools. Nearly every child will bring home these at some time, as children love to be close to each other and are constantly touching everything as they learn. Lice are small animals that lay their eggs on the hair shaft near the scalp. Offer to brush your child’s hair regularly so you can make a discreet check, particularly in the middle and upper primary years. Treatment is available from the chemist for this condition, and should be used as soon as you notice the problem. Your support, and above all, **patience**, is important in this area.

7.5 Communicable and Infectious Diseases
A number of regulations have been drawn up by the Health Department on the premise that children who have been ill with an infectious disease will not return to school until they have fully recovered. The only exception to this rule is that children with certain skin diseases may return once appropriate treatment has commenced. The regulations covering Communicable and Infectious Diseases as published by the Public Health Department of WA are as follows:

- **CHICKEN POX** - Exclude until fully recovered.
- **MUMPS** - Exclude until fully recovered.
- **RUBELLA** - Exclude until fully recovered.
- **MEASLES** - Should be excluded for at least seven days from the appearance of rash or until a medical certificate of recovery is produced.
- **VIRAL HEPATITIS** - Re-admit on receipt of a medical certificate.
- **SCARLETT FEVER** - Exclude until appropriate medical treatment and a medical certificate of recovery is given.
- **WHOOPING COUGH** - Re-admit on receipt of medical certificate of recovery.
- **RINGWORM** - Re-admit when appropriate treatment has commenced.
- **SCABIES** - Supported by a medical certificate when requested.
- **PEDICULOSIS/LICE** - Exclude from school until treated and most eggs removed.
CONJUNCTIVITIS - Exclude until discharge from eyes has ceased or has been treated for 24 hours.

IMPETIGO - Exclude until sores have fully healed. The child may be allowed to return provided that appropriate treatment is being applied and that sores on exposed surfaces such as scalp, face, hands or legs are properly covered with occlusive dressings.

7.6 School Dental Service
Our school is serviced during school hours by the Dental Health Clinic (situated at Narrogin Primary School). All students at St Matthew’s School automatically receive this service, and appointment cards will be sent home from time to time through the school office. The Clinic’s phone number is 9881 2281. Children are to be accompanied by a parent or responsible adult, or an older brother or sister.

7.7 School Nurse
A school nurse visits St Matthew’s School on a regular basis.

8.0 SCHOOL UNIFORM – DRESS CODE

8.1 Wearing the Uniform
- School uniform shirts are to be tucked in at all times.
- The tie is to sit closely and neatly to the collar – this applies to winter terms.
- Shoes are to be in good repair and in a polished condition.
- Girls’ formal white and blue socks are to sit approximately 4cm above the ankle bone – these can be folded to this position, but not rolled. (Anklets and cut-away socks are not acceptable.)
- Boys’ grey school socks must be worn as for girls’ length or higher.
- Sports uniform shirts are to be worn untucked.
- The top buttons on sports uniform shirts and blue uniform shirts (in summer) can be left undone.
- Long school uniform pants must be of a length such that socks do not show during the child’s normal gait.
- Normal uniform dress/skirt lengths need to be approximately knee length – between the top and the bottom of the knee.
- Girls are encouraged to wear navy blue (short legged) ‘bike shorts’ underneath uniform dresses (so modesty is not compromised). These shorts must not show during the child’s normal gait and no other colour/type of shorts may be worn.
- All uniform items should fit the child reasonably well. (Please note: if shirts will not remain tucked in because they are too short, parents will be asked to purchase a larger size.)

8.2 Jewellery
The wearing of jewellery is not encouraged. This is in keeping with the school philosophy of reducing the importance of material goods and the risk of injury. However, the following items are acceptable:
- A small, plain, inexpensive watch
- Small, plain metal earring studs/sleepers. A stud containing a small birthstone is also acceptable.
- A small chain with Christian medallion or Cross/Crucifix
- Medical bracelets/necklaces are permitted (eg. Medic Alert bracelet/necklace); however, the school must be notified of the child’s medical condition.
If a child wears inappropriate jewellery to school, the item/s will be required to be removed and will be sent home with the child.

8.3 Nails
Nails must be kept in a short and clean condition. Only clear nail polish is acceptable. If a student is wearing any coloured nail polish, he/she will be asked to use nail polisher remover to remove it under staff supervision.

8.4 Hair
• Hair must be clean, neat and tidy.
• Shoulder length hair (and longer) needs to be tied back using simple, plain hair ties, scrunchies, head bands or ribbons colour matched to hair colour or to colours in the current uniform being worn.
• Other hair accessories (such as hair slides) must obey the same colour rules.
• Small head scarves (triangle style) are acceptable but are limited to the plain colours (i.e. no decoration) of light blue (matching shirt/dress colour) for summer terms and navy blue (matching tie/jumper colour) for winter terms.
• Shorter than shoulder length hair still needs to be clear of eyes when child is in ‘working at desk’ posture.
• Fringes must be no longer than the top of eyebrows, otherwise they are to be tied or clipped back.
• Hairstyles should not attract undue attention or be deemed by the school Leadership Team to be too extreme.

8.5 Uniform Breaches
• When a child is unable to wear the correct uniform, a parent/carer is required to send a note to the class teacher (with the child on that day) explaining the reason for the deviation and the period for which this will occur. Alternatively, though not the preferred option, the parent/carer may speak to the teacher in person or by telephone. (Parents/carers are also asked to provide ‘replacement’ uniform items in colours and styles as close as possible to the original item.)
• When a note does not accompany the child on the day (even if a verbal explanation has been given from the child) the child will receive an ‘out of uniform’ note to be completed by the parent/carer, and returned.
• If the Return Slip at the bottom of this is not returned, another reminder note will be sent home.
• If this is not returned, a member of the Leadership Team will directly contact the parent to ascertain the problem.
• For any further problems regarding uniform, the Principal will request a meeting with the parent/carer/s.
• For ‘out of uniform’ items of a more minor nature (such as incorrect hair slide colours) the teacher or Leadership Team may give the child a verbal reminder – if this problem reoccurs in the short term, the child may be given the ‘out of uniform’ letter.

N.B. Teachers and the Leadership Team reserve the right to give an “out of uniform’ letter for any breach of uniform at any time, given the possible uncertainty of whether a child has already been given a verbal warning.

8.6 ‘No Hat No Play in the Sun’ Policy
To safeguard the children from the harmful effects of solar radiation and in keeping with our “Sun Smart School” status, we have a “no hat, no play in the sun” policy throughout the year (Terms 1, 2, 3 and 4). Children are restricted from playing or participating in any outdoor activity that does not take place in a shaded area if they are not wearing suitable hats.
9.0 COMMUNICATION

9.1 Parent-Teacher Communication
Ongoing communication between parents and teachers is essential in providing the best education for your children. If there is any matter that you feel needs clarification, you are strongly urged to contact the class teacher to arrange a mutually convenient time to meet. This will allow both of you to give your full attention to the discussion. The School Principal is also available for meetings with parents to discuss any issues.

9.2 Parent-Teacher Information Nights
A parent-teacher meeting for each class is held early in first term. All parents are requested to attend as important information such as classroom policies, practices and procedures is explained. If you are unable to attend, please arrange an alternative meeting time with the class teacher.

9.3 Newsletter
Our newsletter is sent home to each family every Friday via the eldest child in the school or it is also on our school’s website: www.matthews.wa.edu.au. It is important that parents take the time to read the newsletter, as this is the main form of communication between home and school. If you would like to place a notice in the newsletter, please contact the Office.

9.4 Facebook
The official school Facebook page seeks to positively promote school events and activities. Visit us at: St Matthew’s School, Narrogin.

9.5 Assemblies
Our formal assemblies are held on Friday afternoons throughout the term in the school hall at 2:30pm. Assemblies are facilitated by our Year 6 students; different year levels present an item and the presentation of Honour Certificates takes place. General information to the school community is also disseminated. Please see the Term Planner for the schedule.

9.6 Meeting Times for Staff
Each Monday morning at 8.15am, staff meet to pray together and for a briefing on the week’s activities. Meetings are held weekly on a Tuesday afternoon from 3.15pm to 4.30pm to develop policies, plan school activities and deal with administrative matters. Staff members are not available to meet with parents at these times.

9.7 Absence From school
Please follow these procedures for our Absentee Recording:
1. Parents contact the office (by phone) advising student name and class on the day of absence. (By 9.00am).
2. Teachers and Mrs de Gooijer collate data.
3. Parents who have failed to contact the office will receive a phone call or SMS to notify them of their child’s absence.
4. All absences should be advised in writing to the classroom teacher on child’s return.
5. Students who are late or leaving early must call into the office to complete the necessary paperwork.
On returning to school, a written note or email confirming the reason for the absence, is required by the class teacher. A note of absence could be as simple as:

Dear Mrs Thomas

Elizabeth will be absent from school on Thursday 10 April 2017 because she has an appointment.

Thank you.

Mrs N Goody 11 April 2017

A child will be permitted to leave the school during school hours only when a parent makes a written request or calls personally for the child. Parents must call into the school office to sign the child out. Any child leaving the school during school hours must be collected from the classroom by an adult - a parent/guardian or their appointed representative - as they will not be permitted to wait on the roadside.

You are requested to notify the school immediately it is known that a child’s absence is likely to exceed one week.

The School Education Act 1999 and the School Education Regulations 2000 requires that compulsory-aged students attend school, or participate in an educational program, on the days on which the school program is open for instruction. Removing children for early holidays is very disruptive to the child’s learning and is NOT endorsed by the school. A long-term planned absence should be referred to the Principal at the earliest possible opportunity. A new leave form is now available from the school office for families seeking Principal approval for a student’s extended leave from school.

10.0 GENERAL MATTERS

10.1 CEO Guideline for Procedures to be Implemented in Schools During Periods of Prolonged High Temperatures

Prolonged high temperature is defined as follows:

The maximum temperature at an official weather centre in the immediate vicinity of the school exceeds 40 degrees Celsius for two consecutive days and it is forecast by the Bureau of Meteorology that the temperature in the vicinity of the school will exceed 40 degrees Celsius the next day.

The procedures to be followed in times of prolonged high temperatures are:

1. You can keep students at home, advise the school office before 9am and provide a note when students return to school.

2. You can come to the school and collect your child/children during lunch time.
The school will NOT be closed in periods of prolonged high temperature. Instead, classroom activities will be modified to suit the weather conditions.

10.2 Book Club
The Ashton Scholastic Book Club order forms will be sent home, and children may buy any of these books by returning the order and money to the class teachers. Books will be distributed following delivery to the school. Cheques should be made payable to:

“ASHTON SCHOLASTIC BOOK CLUB”

A small percentage of sales are returned to the school in the form of book donations, which enlarges our library collection.

10.3 Parent Participation in the Life of the School
The school recognises the importance of all parents and carers as the prime educators of their child/children. St Matthew’s is committed to exploring many and varied ways to engage parents/carers in all aspects of school life.

You are encouraged to volunteer your skills and time whenever the opportunity arises. It is hoped that you will participate in at least some of the following areas:

* Attending school-related Masses  
* Classroom help  
* Excursions  
* Fundraising  
* P&F Meetings  
* Parent/teacher Meetings  
* Mentors’ Program  
* Nominating for the School Board  
* Library  
* Canteen  
* Busy Bees  
* Social functions  
* Sports Coaching  
* Supporting the children at functions  
* Constructing Resources

10.4 Mobile Phones
St Matthew’s School has in place appropriate methods, through the Office, for parents to contact students and vice versa. It is preferred that students do not have mobile phones at school. Students should only require a mobile phone if they walk, ride a bike or catch a bus to school. When students do bring them, the following procedures apply:

• Students shall not use a mobile phone at school. This includes, but is not limited to, showing and/or sending text, images or recordings to other students, filming of students, playing music.

• On arrival at school, mobile phones must be switched off and handed to the classroom teacher. The phone shall be collected from the classroom teacher at the end of the school day.
• Mobile phones should not have images, text or recordings on them which may be deemed to be offensive to others.

• The school accepts no responsibility for mobile phones that are brought to school. It is the responsibility of the student to safeguard against misplacement, loss or theft.

• Use of a phone in school hours will result in the phone being confiscated by the teacher and placed at the office. A letter will be sent to the student’s parents from the Principal asking them to contact the school to arrange collection.

• Use of mobile phones during out of school functions arranged by the school including excursions, camps, and retreats will not be permitted. Arrangements are in place for communication with a staff member in the case of an emergency.

If the procedures are not followed then:

1. The mobile phone will be confiscated from the child, and must be collected from the Office by a parent/caregiver.

2. Any reoccurrence will result in an in-school time-out.

3. For serious breaches, students may be excluded from bringing a mobile phone to school and/or lose access to the school’s ICT for an extended period of time in line with the school’s Information and Communications Technology Policy.

10.5 Term Dates

**Term 1:**
- **Staff:** Monday 30 January to Friday 7 April
- **Students:** Wednesday 1 February to Friday 7 April

**Term 2:**
- **Staff:** Wednesday 26 April to Friday 30 June
- **Students:** Wednesday 26 April to Friday 30 June

**Term 3:**
- **Staff:** Monday 17 July to Friday 22 September
- **Students:** Tuesday 18 July to Friday 22 September

**Term 4:**
- **Staff:** Monday 9 October to Friday 15 December
- **Students:** Tuesday 10 October to Friday 8 December
10.6 School Hours

School commences  8:40am  (Classroom Preparation Bell)

Morning Recess  10.45am

Lunch  12.45pm

Dismissal  3.00pm

Supervision Ends  3.20pm

A morning ‘Crunch and Sip’ time occurs each day in all classes.

Teacher supervision will begin at 8.30am and conclude at 3.20pm. Children should not be on the school premises outside these hours without the approval of the Principal.

Parents should ensure that children arrive at school in good time, so that morning prayers and roll call are not interrupted.

10.7 Contact Numbers

OFFICE HOURS:  Monday - Friday, 8.30am-1:30pm  2:15pm- 3:30pm

PRINCIPAL:  Ms Jonnda Simpson

SCHOOL ADDRESS:  9 Glyde Street (PO Box 456)
                  Narrogin 6312

TELEPHONE NO:  (08) 9853 9500

FAX NO:  (08) 9881 2135
